## 8<sup>th</sup> Annual Kaylee Sullivan Memorial Golf Tournament

Seven-year-old Kaylee Sullivan was much like any other girl her age. She loved to hop, skip, and jump everywhere she went, more than likely to a soundtrack of Taylor Swift playing in her head. She loved arts & crafts, her best friend, and all things Christmas.

That all changed in November of 2010. Kaylee was diagnosed with leukemia (AML) and the roller coaster ride began.

Kaylee would undergo several rounds of chemotherapy and a bone-marrow transplant during her months long stay at Boston Children's Hospital. Despite the times where she seemed to get better, Kaylee lost her battle in

April 2011.

Kaylee and her big brother Liam.

Liam was considered a perfect match and donated his bone marrow in an effort to save his sister.

**\*All proceeds from this event will go to support Cops for Kids with Cancer & the Transplant/Oncology Units at Boston Children's Hospital, so that the support and care they give can continue.\***

### Crosswinds Golf Club

Designed by the award winning team of Hurdzan/Fry, Crosswinds is the newest Championship daily fee course in Plymouth.

Featuring 27 holes, Crosswinds offers a unique blend of rolling fairways and large gently undulating greens. Four sets of tee options measuring over 7,000 yards from the black championship markers invite golfers of all abilities for a memorable experience.

Challenging yet fun, this course takes advantage of the natural topography, offering dramatic elevation changes, panoramic views and comfortable spacing between holes for a resort-style atmosphere.

Course Layout
